

## ***To all of my Patients and the Merrick community***

I have some very exciting news to share with you! After many years serving the community at South Shore Hand Therapy, I have decided to start a new path, and am pleased to share with you that I have accepted a position at Professional Hand Therapy. Effective immediately, I will serve as the Clinical Director for their Merrick office, in the same location at 2108 Merrick Mall.

I am still committed to providing you with the highest quality care, and now with the resources and support of Professional Hand Therapy, you can benefit from:

- Easy access to nearby Physical Therapy Services
- Expanded Hand and Occupational Therapy Services and locations
- Access to their network of world-class physicians and hospitals
- State-of-the-art technology, communications and streamlined paperwork

I am proud to be a part of this organization, known as a leading provider of physical and hand therapy and rehabilitation services throughout the New York metropolitan area, New Jersey, Connecticut, Massachusetts, and New Hampshire. In fact, in 2016, Professional was honored by receiving ADVANCE for Physical Therapy and Rehab Medicine magazine's annual Practice of the Year award, selected based on clinical expertise and exceptional patient experience. And in 2017, Professional was named among the best workplaces in health care by Fortune Magazine, and is the only physical therapy company to achieve this honor.
